

**ENVER HOXHA**

“The Khrushchevites” is another book in the series of the memoirs of Comrade Enver Hoxha. This work, written in 1976, comprises the author’s memoirs and personal impressions of his direct meetings and other various contacts with the leaders of the CPSU and the other communist and workers’ parties during the years 1953-1961.

“The Khrushchevites” is published in Albanian as well as in several foreign languages.
