

“The ICMLPO expresses its solidarity with the workers and peoples who are victims of the aggression of foreign powers; in particular we express our strong support to the Palestinian people who, for decades, have fought for the right to live in peace in the territory that belongs to them and to form an independent and sovereign State. We further condemn the criminal policy of the regime of Benjamin Netanyahu, head of the Zionist State of Israel.”

*ICMLPO, May 1, 2024*
